

Gamboa: An Introduction to Philippine Law

Melquiades J. Gamboa

6 ATENEO L.J. 133 (1956)

AN INTRODUCTION TO PHILIPPINE LAW (1955).

The Book by Melquiades J. Gamboa is best fit for students of comparative law because it provides a meeting of the Civil Law and the Common Law in the Philippines. It is divided into four departments: the first being an introduction, the second a historical background, the third an outline of Philippine Substantive Law, and the fourth, a discussion of remedies.
