

## Book Note

8 ATENEO L.J. 289 (1959)

ANTONIO H. NOBLEJAS, *PHILIPPINE LAW ON NATURAL RESOURCES* (1959). The Book contains updated rulings of the Supreme Court, pertinent treaties and agreements, as well as relevant rulings of the Secretary of Agriculture — all on issues regarding the interpretation on the law on natural resources. It is divided into eight chapters, presenting solutions to issues in this field of law that are especially significant since they are gathered from the queries received by the Author in the course of his capacity as the Commissioner of Land Registration. Moreover, a table of Philippine laws on natural resources and their requirements as well as cases on the matter is provided at the end of the Book.
