SUBJECT(S): EDSA, ILL-GOTTEN WEALTH

KEYWORD(S): EDSA, ILL-GOTTEN WEALTH, CORAZON AQUINO

The EDSA political miracle toppled the well-entrenched dictatorial regime of martial misrule and Corazon Aquino was installed as President by the sovereign people, the legitimacy of which was upheld by the Supreme Court, our ASEAN neighboring countries, and the entire community of nations throughout the world. President Aquino issued executive orders and proclamations to recover ill-gotten wealth through sequestration or freezing of assets. The Author provides for the basis of such presidential power by no less than the 1987 Philippine Constitution.
