

Padilla: Civil Code Annotated

Ramon Buenaventura

I ATENEO L.J. 122 (1951)

SUBJECT(S): CIVIL LAW

KEYWORD(S): CIVIL CODE

The Book Review deems the textbook of Ambrosio Padilla to be a helpful guide to the increasing problems that a law student may encounter, coming with the passage of the New Civil Code. The book is presented in a codal form and is accompanied by an explanation of each article in a common and understandable language for the student.
