

Book Note

14 ATENEO L.J. III (1964)

*JEREMIAS U. MONTEMAYOR, LABOR, AGRARIAN & SOCIAL LEGISLATION
(1964).*

The Book aims to present a comprehensive collection of relevant constitutional provisions, statutes and enactments, and jurisprudence in the field of labor, agrarian and social legislation. It is divided into two volumes: the first volume deals with labor laws proper while the second volume covers agrarian and social legislation, giving particular attention to the Agricultural Land Reform Code. The value of the Author's work lies in his exhaustive treatment of the subject which he accomplishes by presenting the different provisions of the law, offering his commentaries, and at times using court rulings to illustrate his point.
