

The Importance of Writing Scholarly Comments on Supreme Court Decisions

Justice Sabino R. De Leon

47 ATENEO L.J. 1 (2002)

SUBJECT(S): SUPREME COURT

KEYWORD(S): SUPREME COURT

This brief one-page review of the Supreme Court emphasizes the importance of writing clear and well-researched decisions. The Author, himself a retired Justice of the Supreme Court, stresses that the writing of scholarly decisions aids all persons in understanding the intricacies of the law. The Author also notes that the law and the historical development concerning a legal issue must be accurately cited so that the legal researcher possesses a better understanding of the evolution of the mind of the Court on any given issue.
