

Curriculum for Effective Legal Education

Jesus de Veyra

12 ATENEO L.J. 322 (1963)

*TAGS(S): LEGAL AND JUDICIAL ETHICS, LEGAL PROFESSION, LEGAL
EDUCATION*

This Paper was read at the second session of the Conference on Legal Education, held from 27 February to 1 March 1962 at the Ateneo College of Law Auditorium. It presents proposed curriculums that are meant to achieve two objectives, namely: (1) more efficient law teaching for professors; and (2) to better prepare law students in their careers in the legal world.
