

O'Sullivan: Under God and the Law

Miguel Lukban

I ATENEO L.J. 169 (1952)

KEYWORD(S): THOMAS MORE

This Review is on the second series of a compilation on the various papers read to the members of the Thomas More Society of London in the book *Papers to Read to the Thomas More Society of London* of Richard O'Sullivan. The Book contains the same purpose of discussing the intellectual and moral problems on the law and legislation, and provides an addition of works and papers like *Young More*, *Jesus and the Layers*, *Controversies of St. Thomas More*, *Law and the Spirit*, *Law and Political Power*, and *The Catholic Concept of the Church*.
