

## Noblejas and Peña: Guide to Studies in Land Titles and Deeds

Felino Villasan

I ATENEO L.J. 60 (1951)

*SUBJECT(S): LAND TITLES*

*KEYWORD(S): LAND TITLES, DEEDS*

The Book Review on the work of Antonio H. Noblejas and Narciso Peña notes that the publication is one that was geared to provide the different systems of Land Registration during the Spanish regime in connection with such system at the present time, in a manner more beneficial to a law student. It provided a through exposition of the history and sources of the registration laws, making it comprehensive and a guide for legal knowledge.
