27 Ateneo L.J. 77 (1978)

Juan F. Rivera, *The Father of the First Brown Race Civil Code* (1982). The Book centers on its theme espousing Dr. Jorge Bocobo as the Father of the first Brown Race Civil Code. In the process, he presents the history of the preparation as well as the drafting of the new Civil Code, and how it is a reflection of the nation's desire and identity. The Author concludes by furnishing the addresses and lectures given by Dr. Bocobo exemplifying the reasons behind the changes embodied in the new Civil Code.
