

Improving Environmental Access to Justice: Going Beyond Environmental Courts

Ronaldo R. Gutierrez

53 ATENEO L.J. 919 (2009)

SUBJECT(S): ENVIRONMENTAL LAW, REMEDIAL LAW

KEYWORD(S): ENVIRONMENTAL COURTS, SLAPP SUITS

As a complement to Supreme Court's commendable creation of environmental courts, the Author presents several issues in the hopes of improving the current environmental legal procedure in the Philippines. In the Article, the Author analyses the issues on the administrative environmental cases, criminal cases involving the environment, Strategic Legal Action Against Public Participation (SLAPP) suits, and class actions.
