

## Coquia: Legal Status of the Church in the Philippines

Carlos Bengzon

I ATENEO L.J. 123 (1951)

*SUBJECT(S): RULES OF COURT*

*KEYWORD(S): RULES OF COURT*

The Book Review deems the book of Jorge R. Coquia to be a successful effort to correlate the functions, rights and laws of the Church with those of the civil state. By going into a discussion of the legal aspects of religion in general through Anglo-American constitutional principles, Roman private law, and Canon law, the book should be useful to lawyers and Church authorities in the Philippines.
